

Connections Lab - PRJ 01 wireframes

#1 NYT bestseller list -> bookstore

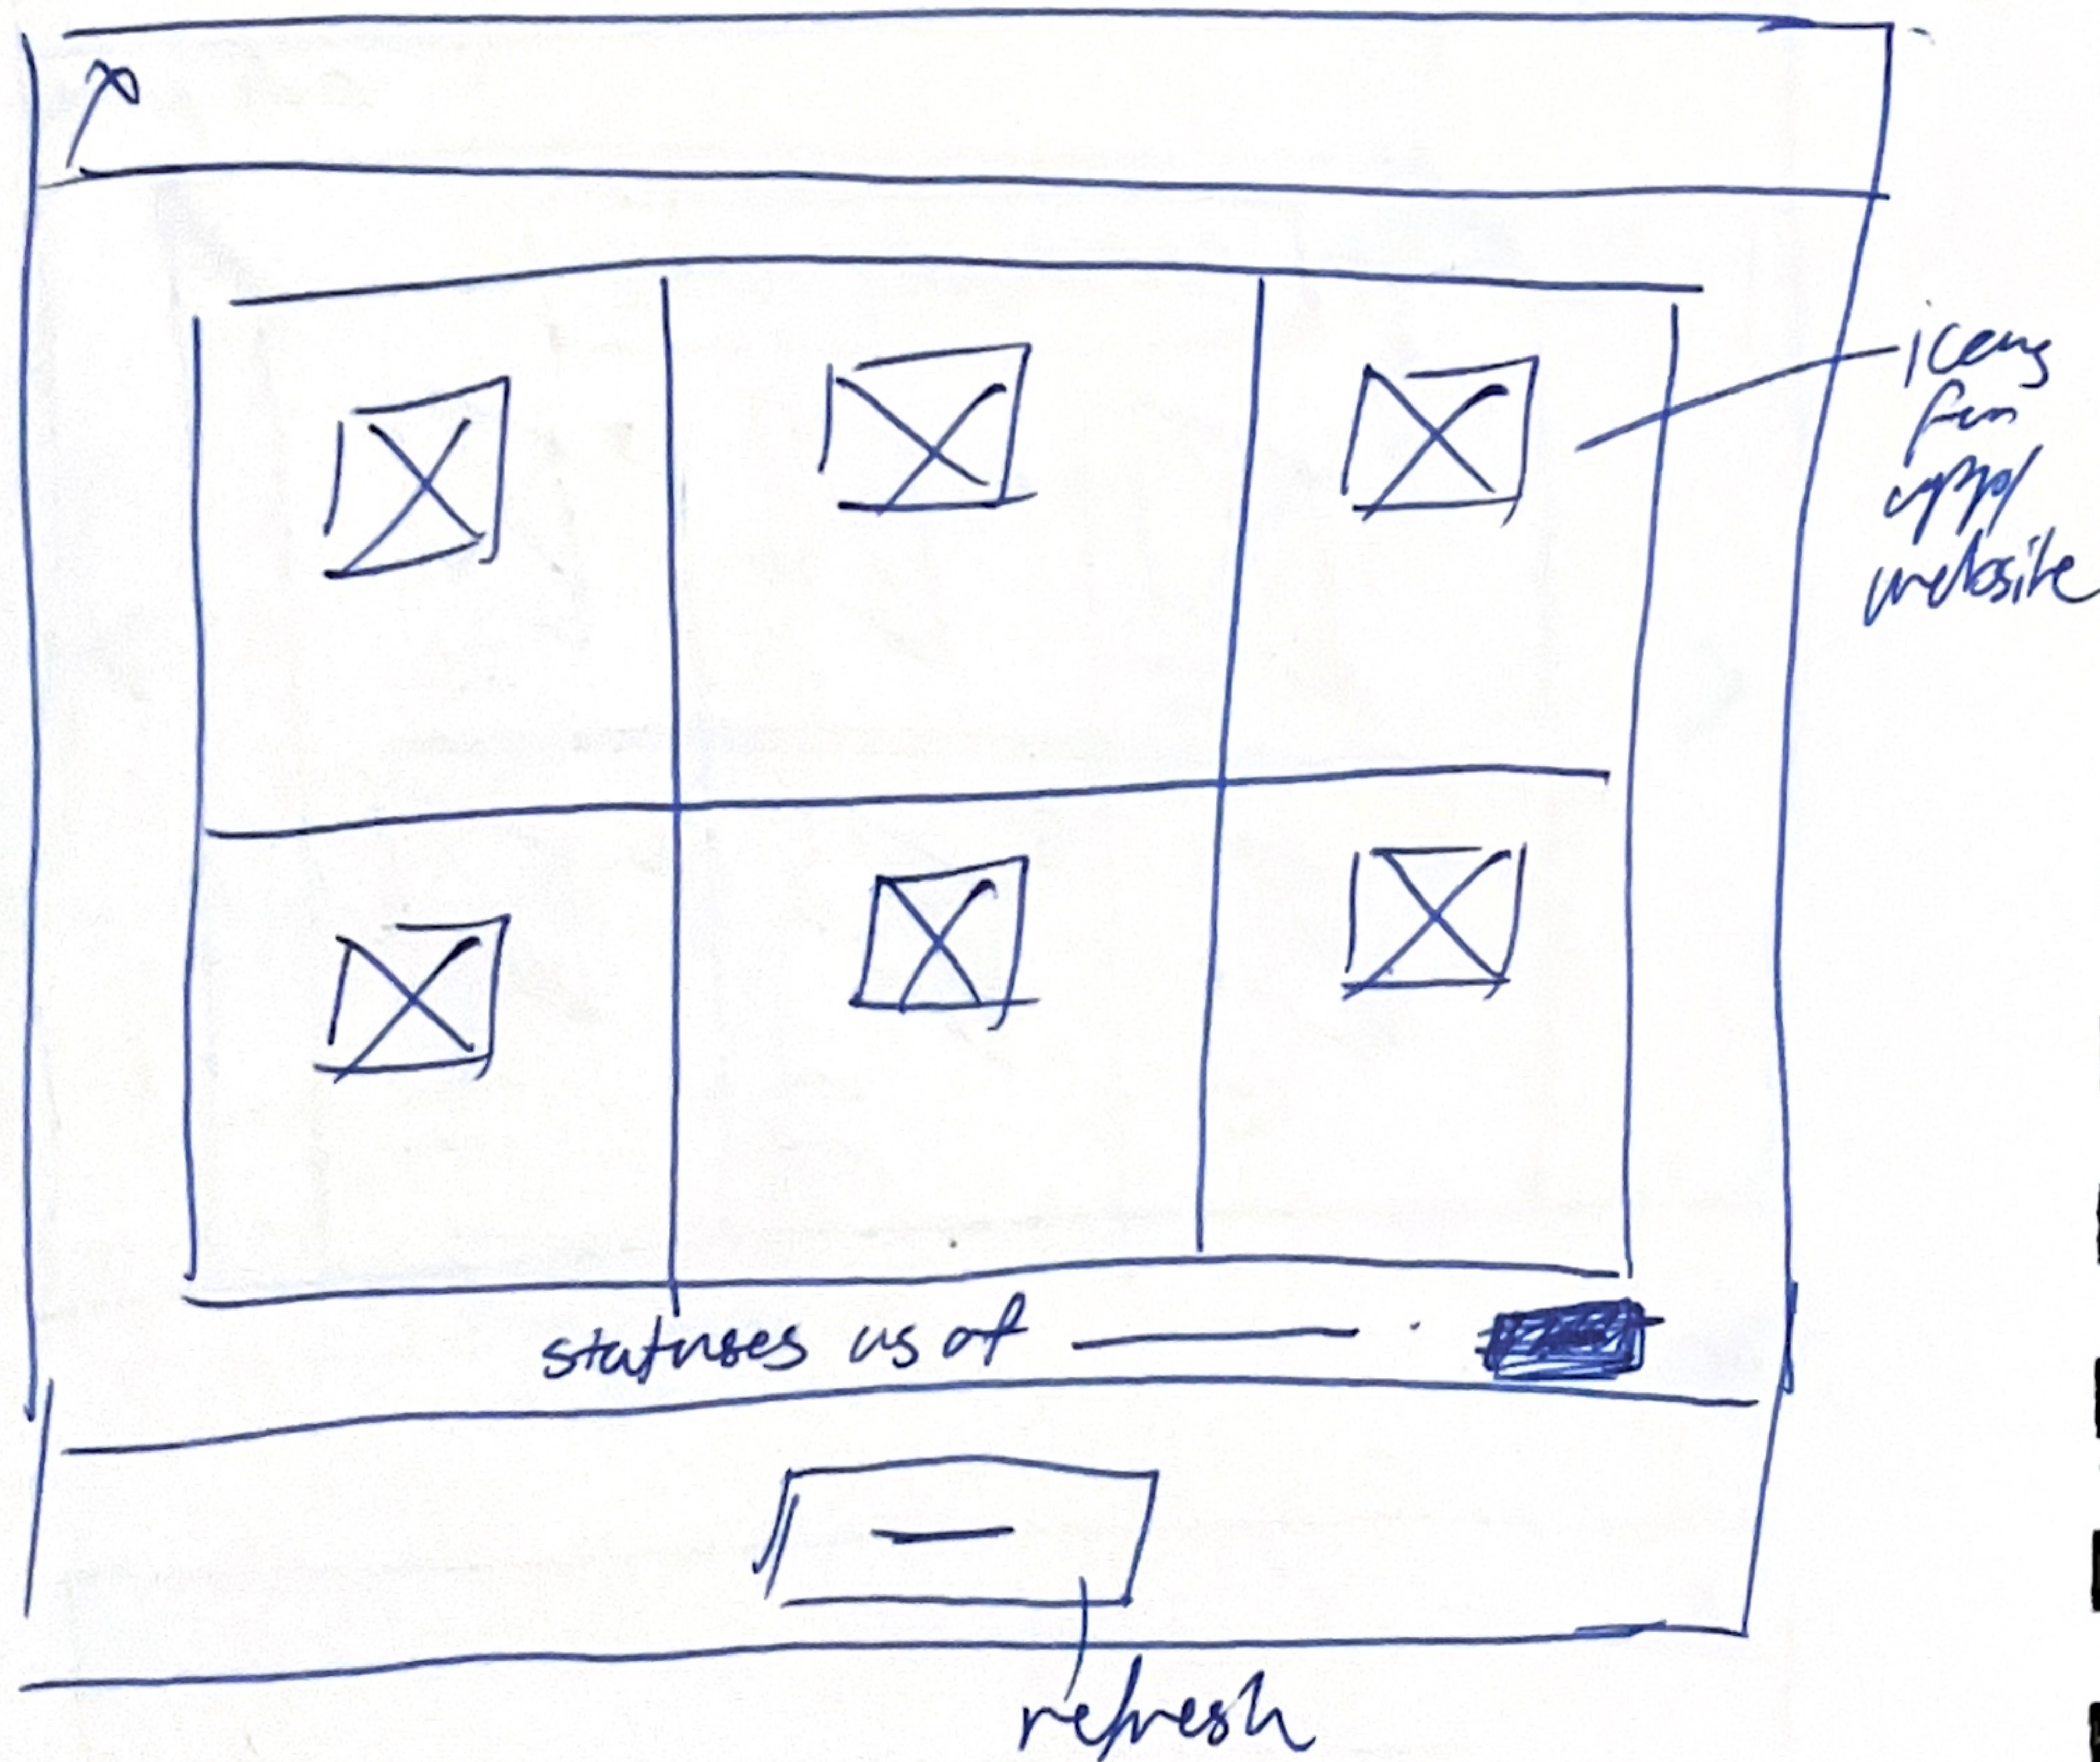

Top 10

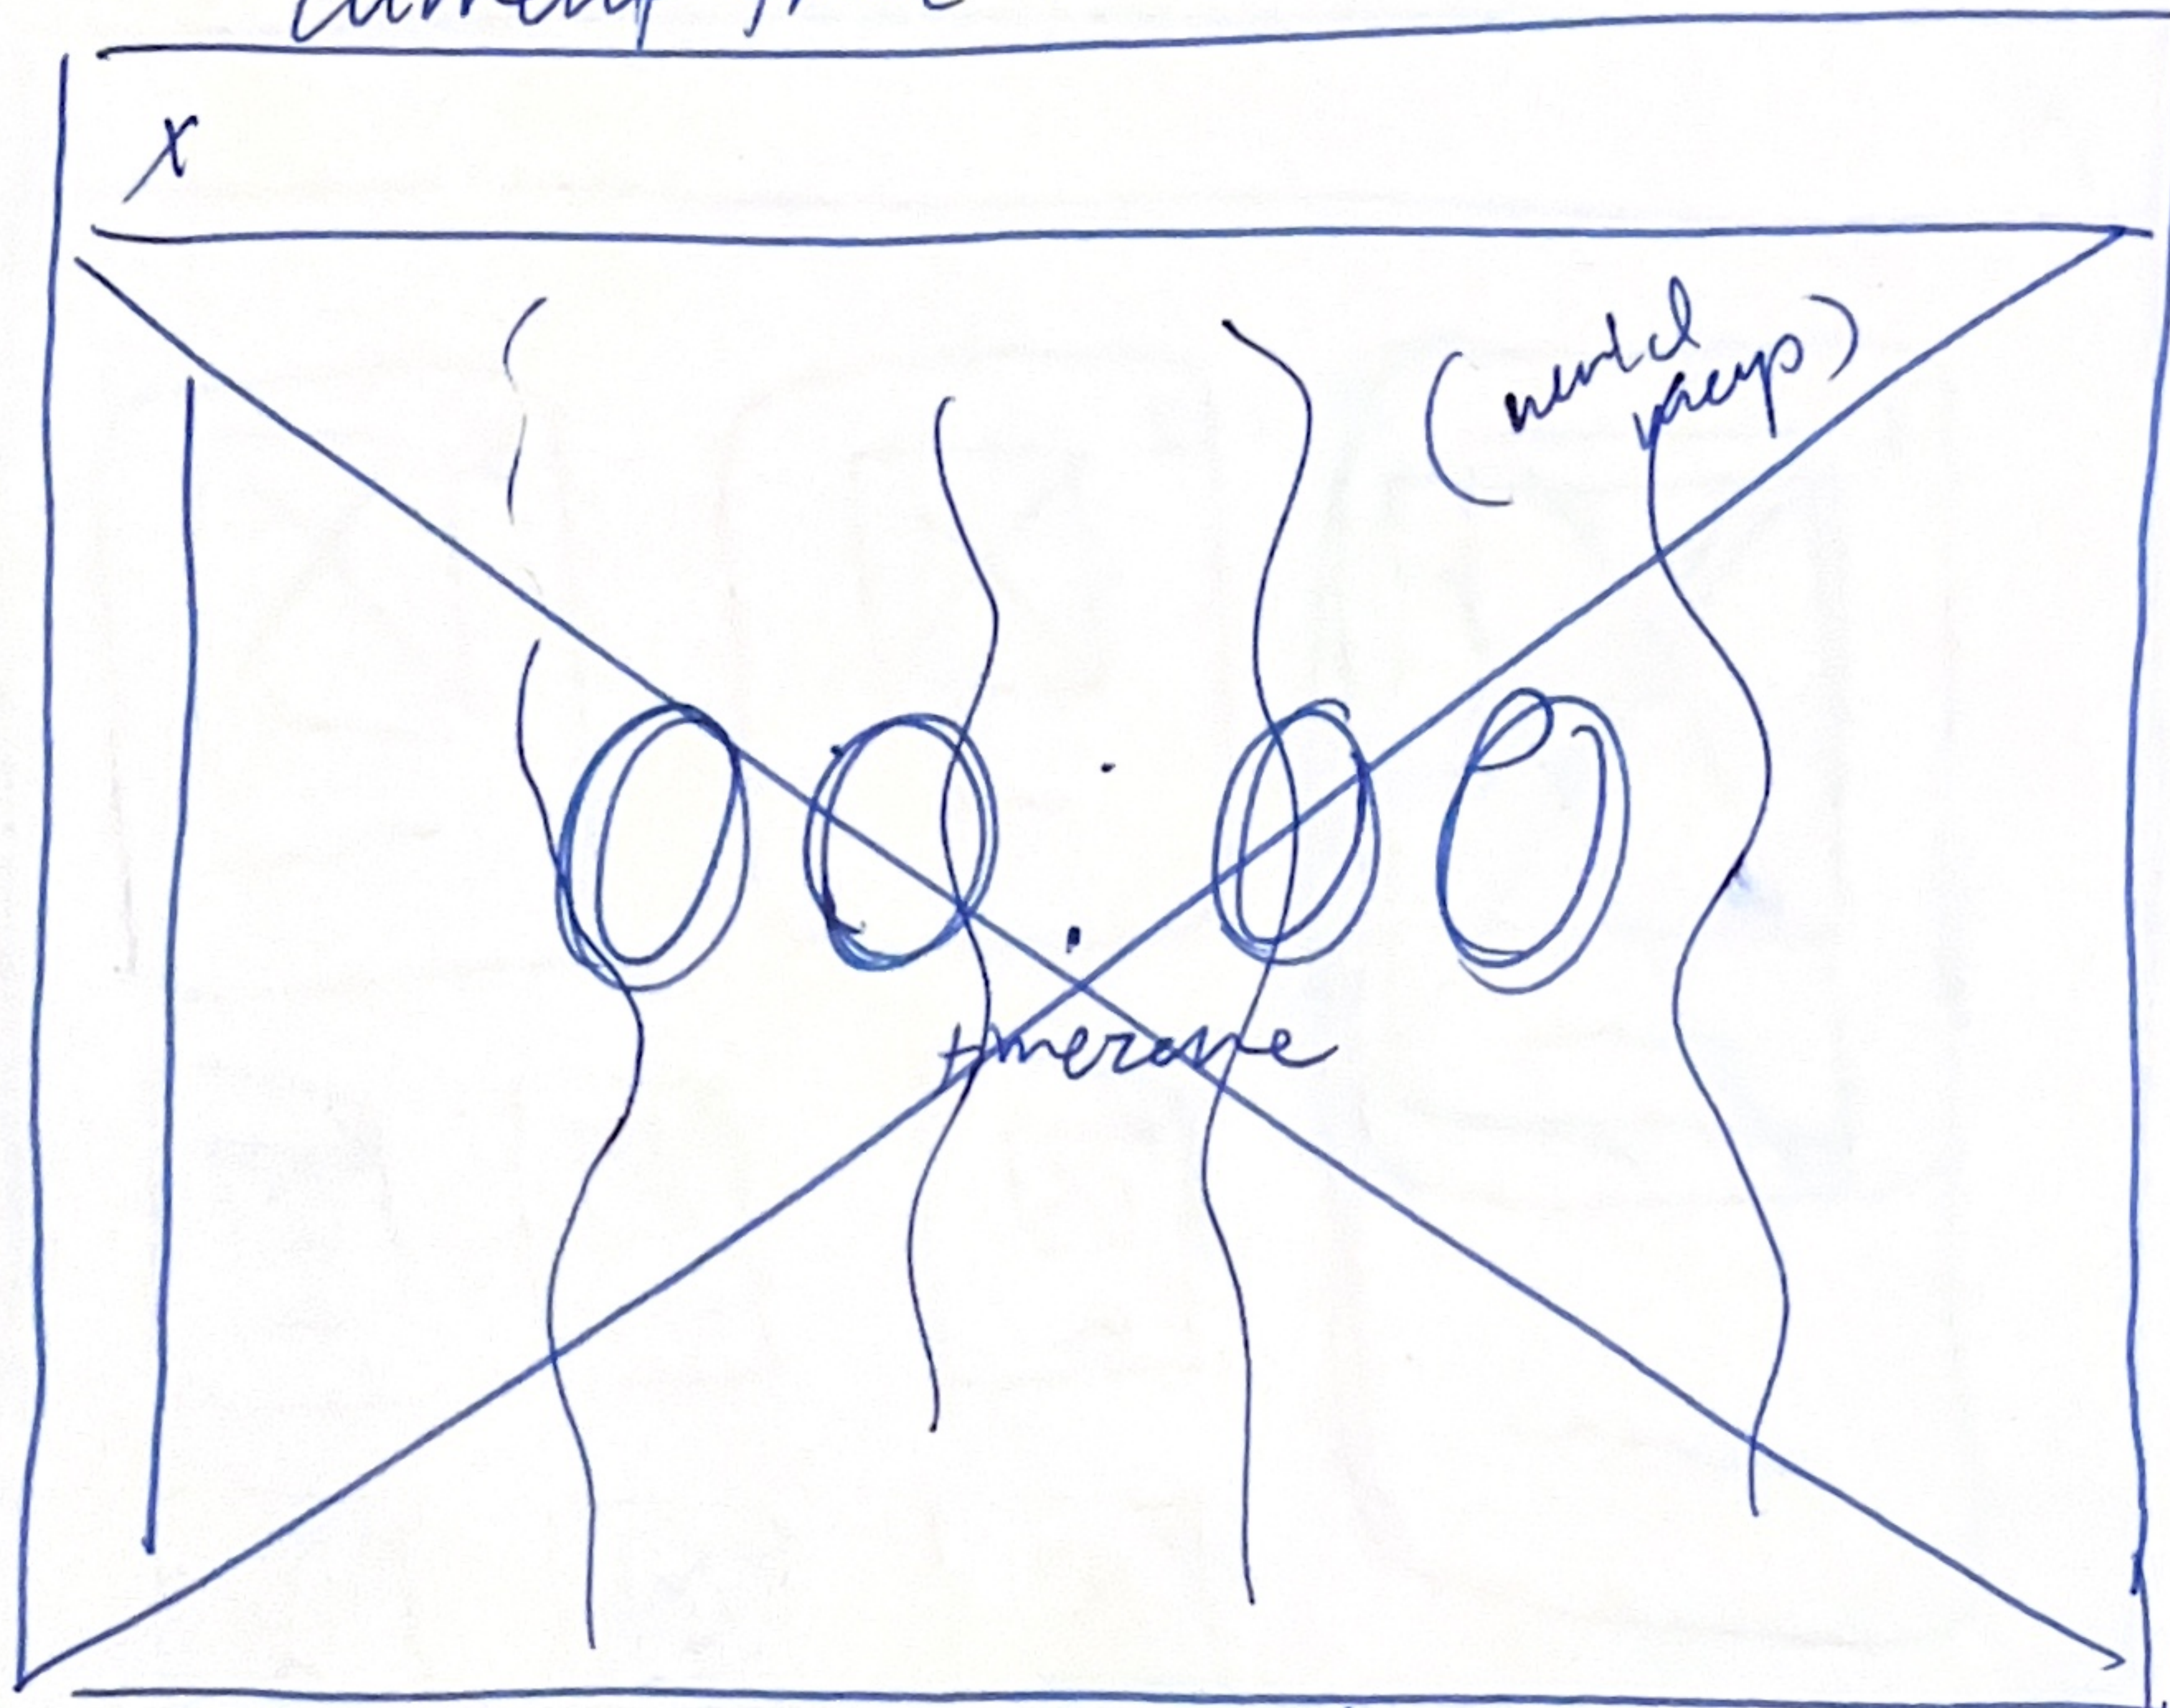

#2 Is it down?

- mimics the site but ~~customizable~~ to more student-based / selected apps.

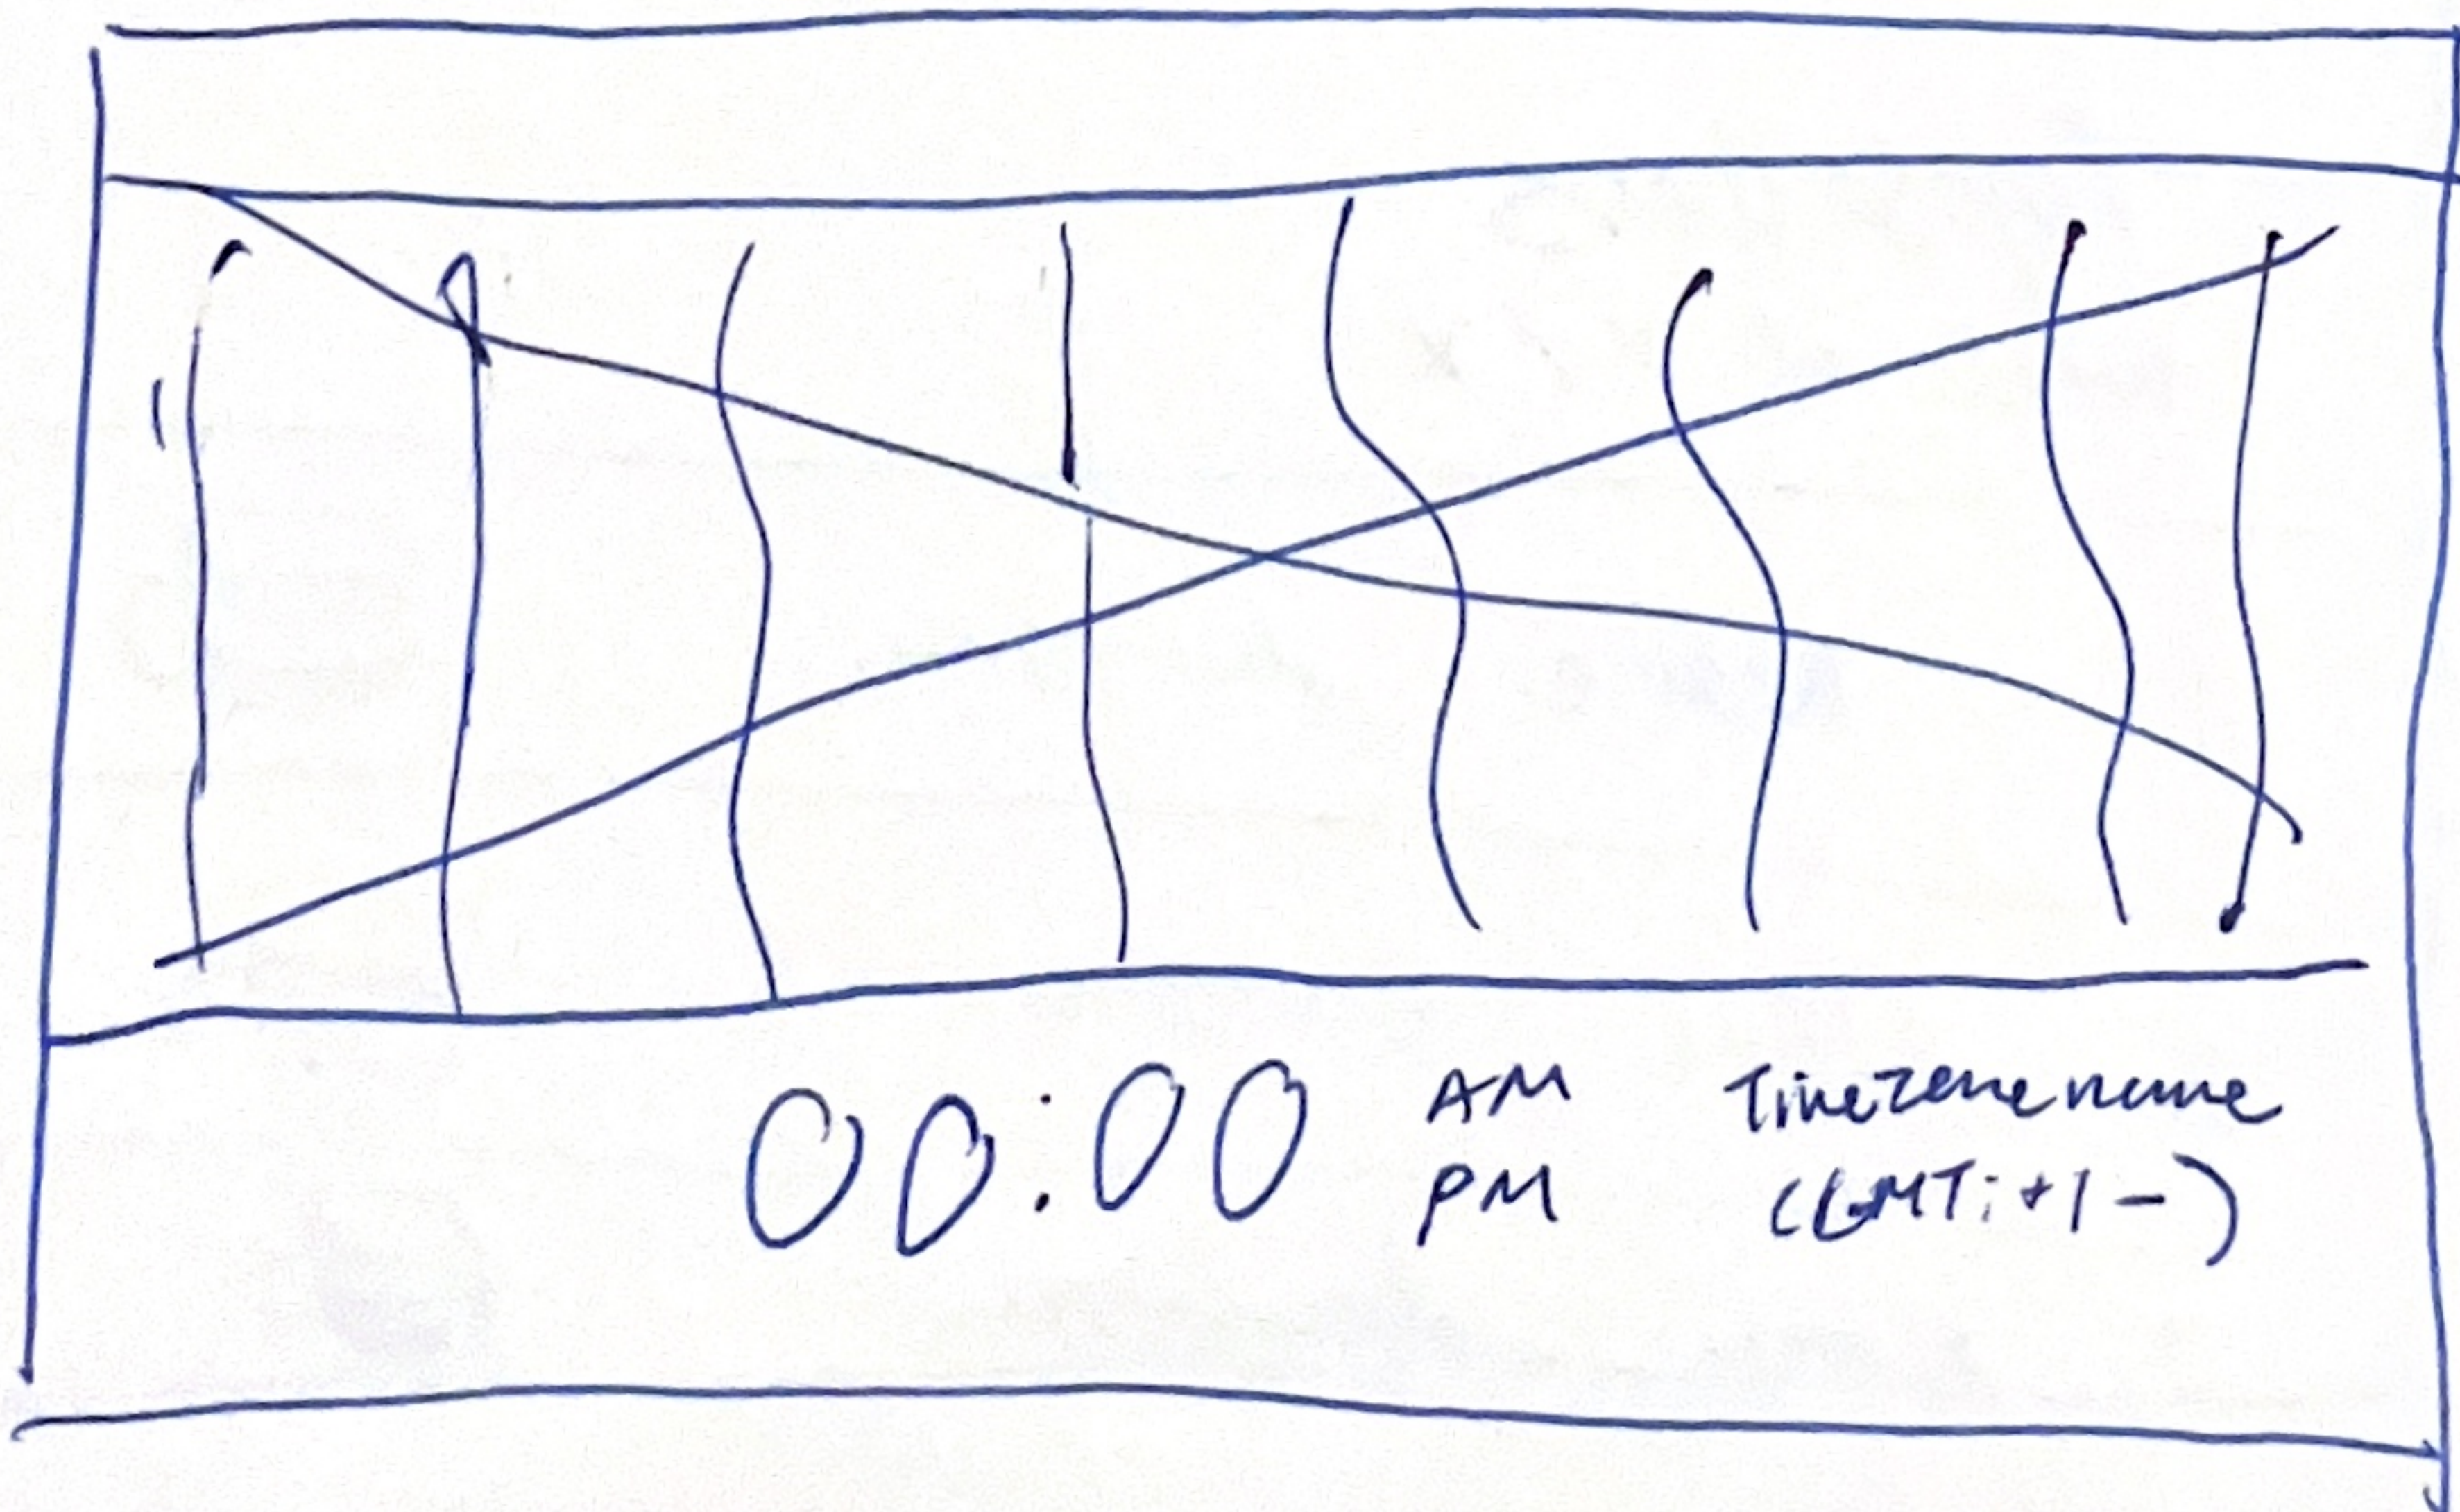

- if down completely: grey
- yellow for a certain operational errors
- green for working

#3 Time zone map current time.

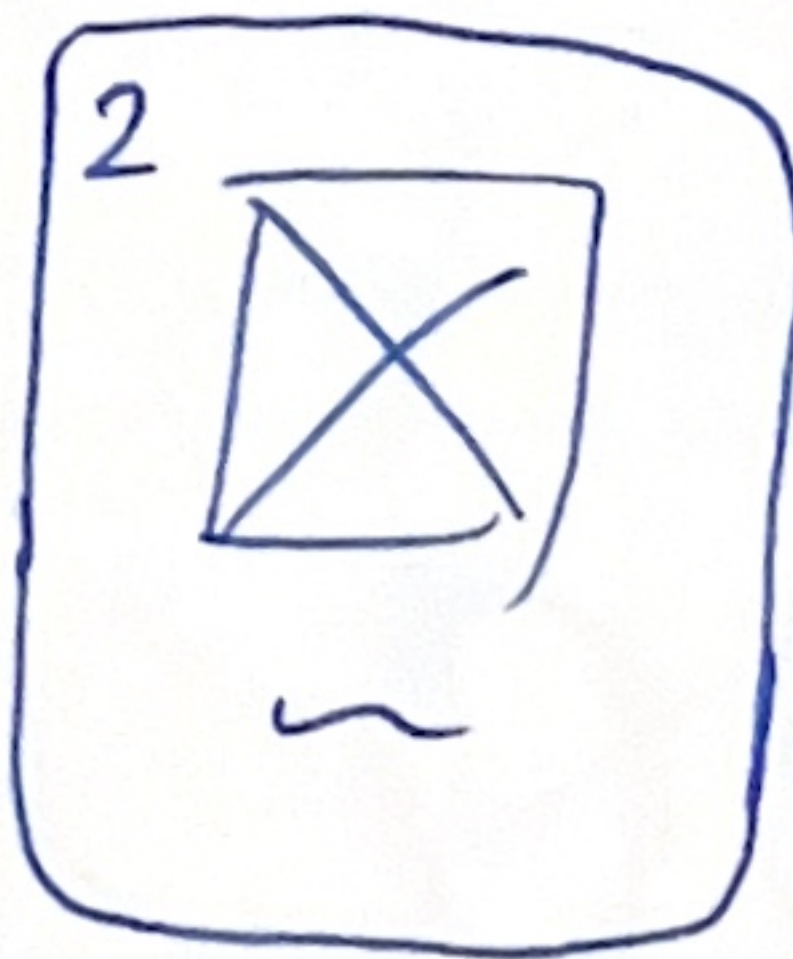

- default is your current timezone
- upon hover the time on the screen changes to that timezone's time. displays the ^{timezone} _{name} underneath (GMT... etc)

#4 top selling drinks by week?
month?
